OUR HALF AND HALF EQUALS A WHOLE LOT OF OPTIONS.

- INSTANTWHIP® HALF & HALF in ice cream? For some newer, modern flavors, HALF & HALF makes a lighter base so that new flavors or new flavor combinations can really stand out.
- CHOCOLATE SAUCE OR TOPPING? INSTANTWHIP® HALF & HALF works as well as cream - and even makes a great fondue.
- Instead of water, milk or cream - try INSTANTWHIP® HALF & HALF in scrambled eggs. They're creamy - but light and fluffy too.
- INSTANTWHIP® HALF & HALF can even get saucy. Deglazed pan sauces, marinara – just add a touch for a new, creamy, dairy-fresh flavor.
- Have a bartender who likes to experiment? Try INSTANTWHIP® HALF & HALF in cocktails - it's rich and creamy without being as heavy in flavor or texture as traditional cream.
