TERMS AND SECURITY AGREEMENT

The undersigned (Purchaser) agrees that all purchases made by Purchaser from **Instantwhip-Akron, Inc.** or any of its subsidiaries and affiliated entities (Seller) are subject to the following terms and conditions.

1. All amounts due for goods and services purchased from Seller are payable at the Seller's facility from which the goods and services are delivered. Purchaser acknowledges that such amounts are not payable in installments, but are payable in full no later than _____ days after delivery of the goods or service.
2. All amounts due Seller are payable in accordance with the payment terms granted by Seller's credit department from which the goods and services are delivered. If any amount due Seller is not paid in accordance with such payment terms, a delinquency charge shall be added to the sum due, which charge shall equal the amount obtained by multiplying the delinquent balance by the lesser of (a) one and one-half percent per month or (b) the maximum lawful rate permitted to be charged under applicable federal or state law.
3. To secure payments for all purchases from Seller, now and in the future, Purchaser hereby grants Seller a security interest in all of Purchaser's assets, now owned and hereafter acquired, including but not limited to, all equipment, furniture, fixtures, and inventory of purchaser, including all goods, and merchandise now owned or hereafter acquired and held for sale or used or consumed in the business of Purchaser, and all present and future accounts receivables which may from time to time hereafter come into existence during the term of this Security Agreement together with the proceeds thereof. Purchaser appoints Seller as Purchaser's agent and gives Seller power of attorney to sign any necessary documents including but not limited to UCC-1 and UCC-3 financing statements for the purpose of protecting Seller's interest.
4. Purchaser shall pay Seller a service charge in an amount equal to **\$30.00** for all checks returned by Purchaser's bank; provided, however, that such service charge shall not be due and payable in the event such payment would result in the violation of usury laws, or any other state, federal, or local laws.
5. In the event the account is turned over to an attorney or other agency for collection, the Seller shall be entitled to recover its reasonable attorney's fee and costs from any and all parties liable for payment on this account, whether or not suit is instituted. In the event of any suit or legal proceedings involving this account, such reasonable attorney's fees shall include those fees and court costs incurred through trial and on appeal. Purchaser expressly agrees that this agreement shall be governed by the laws of the State of Ohio, and jurisdiction and venue in any action or proceeding brought by either party to enforce or interpret this agreement shall be solely in Summit County, Ohio.
6. Purchaser shall notify Seller by certified mail of any change of ownership of Purchaser. Purchaser warrants to Seller that all information furnished for the purpose of obtaining credit is true, correct and complete in all material respects, and Purchaser authorizes Seller to contact all references and investigate all information pertaining to the credit and financial responsibility of Purchaser.
